DIRECTOR GENERAL

9 February 2018

Dear Ms. Ma,

I have the pleasure to express my warmest congratulations to you on your appointment as President of the China Council for International Investment Promotion (CCIIP). I commend the work of the CCIIP as a non-profit organization responsible for promoting inward and outward investment, with a view to advancing economic development and social progress in line with China's economic strategies. I am confident that the CCIIP will continue to flourish under your leadership.

In your previous position, we established good cooperation. As one of the supporting organizations of the China International Fair for Investment and Trade, UNIDO received great support from you. In 2013, upon your invitation, I participated in the third Green Industry Conference and the China International Green Innovative Products and Technologies Show, and had the pleasure to deliver a welcoming speech at the Ministerial Workshop on "Mechanisms of Renewable Energy Utilization & Development for Developing Countries" in Guangzhou. All our cooperation generated tangible results.

Following your recent appointment, I would also like to use this opportunity to invite the CCIIP to participate in and promote the investment projects of UNIDO's Programmes for Country Partnership (PCP) in Ethiopia, Senegal, Peru, Cambodia and Kyrgyzstan. The PCP is UNIDO's innovative model for accelerating inclusive and sustainable industrial development (ISID) in Member States. The PCP is aligned with countries' development agendas and supports their industrial development goals by focusing on sectors with high growth potential.

I am convinced that by continuing to work together, we will contribute towards the implementation of the Sustainable Development Goals (SDGs) and the achievement of ISID.

Yours sincerely,
